

LIMITS

Barriers are
more inside
than out
of ourselves

MULTIDISCIPLINARY
PHYSICAL THEATRE

FERRAN
OROBITG

LIMITS

**Multidisciplinary
physical theater**

**Created for street and
unconventional spaces**

All audiences

**Recommended age:
8 years old and upwards**

SYNOPSIS

"Limits" is a multidisciplinary "solo" physical show that uses clown, circus, music and movement.

Inspired by Jorge Bucay's story 'The Chained Elephant', we see a man battling with fear, preconceived opinions social and cultural constraints, and celebrating our individual possibilities.

A vindication of the capabilities and potential of people.
